

Hi Liam! My name is Maddy and it is so nice to meet you! I heard that your favorite color is blue so I thought I could make this letter colorful! I'll tell you about myself so I don't sound like a total stranger. I attend UWGB, I am currently a Freshman in college studying to become a nurse. I graduated High School in a very small town called Winneconne. I have a huge family and a ton of siblings. I also heard that you have a twin brother, well, I also have a twin brother and I think it's so cool that we have something like that in common! I'll have a picture down below of my brother and I to show you! We look nothing alike, but as babies it was really hard to tell. I hope your twin and you are very close just like mine! However I don't see him very much. We live in different towns and have our own apartments. I will tell you this, never stop talking to your twin when you grow up he will always be your best friend and be there for you when needed.

Not only that but my favorite color is also blue and I love swimming. I'm actually going to the Bahamas next January on a cruise with my boyfriend for a few days! My favorite Holiday is Christmas but my favorite season is summer. I hate the cold and love the warmth that summer brings. I don't really have a favorite food and am not picky on what I eat. My favorite subject in school would have to be History. It was my favorite class all through Middle and High School!

I'm looking forward to hearing from you again, and I hope you enjoyed my letter. Down below are a few pictures of my family. Hope you enjoy!
