

Introduction: This unit consists of two main lessons. The first lesson discusses the Regency Era, Jane Austen, and gender roles. The other lesson correlates with the material from *Pride and Prejudice*. While students are reading the book, you may implement other mini-lessons, activities, quizzes, ect. that work directly with their current reading. This unit includes lesson plans, a paper and rubric, and two main lessons with different assignments and activities. This is a google drive unit and all links work. The main presentation includes the links to all other project resources.

The presentation has speaker notes that cannot be viewed from presentation mode.
